Event Facilitator Contact Email	fromero@proyectopastoral.org	Water Service Provider Attendance	The city of Los Angeles was not able to attend.

The WaterTalks virtual event had over 30 participants, mainly Latina women ages 30 to 60 years old. The topics included introduction to topics such as drinking water, water conservation, flood management, drainage, vector control, access to parks and open space and overall watershed health. The core information shared was around how IRWM is set up, funding, surface and groundwater, capturing and storing water, water sources and estimates around water use.
